Teacher's Day 2013

A Report of the Event

We celebrate Teachers' day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India, the great academic philosopher, and one of the most well known diplomats, scholar, and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

A celebration conducted in our college by all the departments e.g. Mechanical Engineering, Civil Engineering, E & C Engineering and Computer Engineering Department

The whole function was planned by Prof.Kaushik J.Patel (General Department) with faculty coordinators and executed with the support of all the staff members and students. We decided

that, the responsibility of teaching is taken up by the students as an appreciation for their teachers.

As per the Indian culture, we always start our work with prayer. Total number of participates in teacher's day are 71 Students has prepared timetable with 4 lectures from 9:00 a.m to 1:20 p.m for all the semesters of all departments. Senior students went to juniors' class to deliver lectures on the ongoing semester subjects.

On this day, our teaching was started as usual on 9 a.m. All the students in role of teachers who had no lectures they had seated in staff room which is in respective Department. Head of the department was also chosen per

department. They were given a separate cabin as the H.O.D cabin.

Lectures conducted by the students were arranged in form of competition. So, all the faculty mem-

bers were in the classroom as judge for the teaching of the students. All other non participated students were also studying seriously without making any noise or mischief. Winners securing 1st, 2nd and 3rd rank are appreciated by giving Pen drive of 16 GB, 8 GB and CD cover respectively.

In Valedictory function, our respected Principal Madam Dr. Ami H. Shah interacted with the students. She asked the question to the students what do they find in the teachers? or what do they need from the teachers? One student answered as the Conceptual Knowledge, while one another student answered that teachers should give an opportunity in a way that students can free feel to share their problems with them.
