Date:

30 March to 2 April 2015

Objective:

The main objective of this FDP was to develop the creating thinking to develop something new that doesn't

No. of Attendees:

FACULTIES=85

Introduction:

A Faculty Development Program was organized by Gujarat Technological University at L. D. Engineering College, Ahmedabad during 30th March to 2nd April 2015. The main objective of this FDP was to develop the creating thinking to develop something new that doesn't exist. The program was started with elaborating basic responsibilities of a teacher. Then the program was turned to understand the mentality of the students. The speaker then focused on the basic

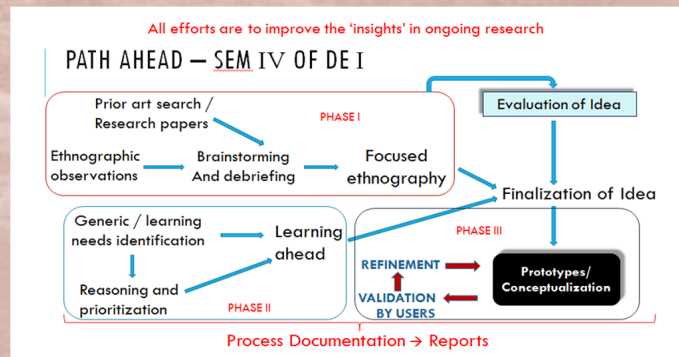

'VIEWS' of students and faculties were asked to make students realize of the same.

The basic theme of this FDP was to provide the way to deal with Design Engineering course for the upcoming semester. 4 day FDP provided a path on Design engineering

Course for 4th semester .

Program Highlights:

- AEIOU FRAMEWORK
- Ideation CANVAS
- Product development canvas
- Prototype model
