

## Smt. S.R. Patel Engineering College, Dabhi

Visit Date: 28<sup>th</sup> Sept, 2013

09:00 A.M. to 04:00 P.M.

Industrial Visit ME-5<sup>th</sup> Sem.

## Objective of Visit:

- To get a real time experience and knowledge of various working units and equipments for the sheet cutting, sheet rolling, welding, CNC sheet cutting units which are used in production plant

*Ammann Apollo India Private Limited, Ditasan*

All the students from 5<sup>th</sup> Mechanical Engineering of Smt. S. R. Patel Engineering College Dabhi, Unjha along with 4 faculty members went on industrial visit to Ammann Apollo India Private Limited, Ditasan, P.O. Jagudan on 28<sup>th</sup> September 2013. Total 45 students along with four faculties reached their destination at 10:40 A.M.

During the visit they have seen different sectors through which various parts of the machines are produced.

Students had seen various areas which are in operating condition like, 1. Plasma Sheet Cutting, 2. Shot Blasting, 3. Welding Shop, 4. Shell and Tube Heat Exchanger Manufacturing, 5. CNC Sheet Cutting Unit and 6. Wet Mix Plants / Soil Stabilization Plants

**Ammann Apollo India Private Limited**

The industrial visit was helpful in providing the insight of the working of various units in a production plant which will remain useful to the students for their future industrial interactions.
