

Smt. S.R. Patel Engineering College, Dabhi

Visit Date: 15th February
2017

06:00 A.M. to 09:00 P.M.

Industrial Visit ME-6th Semester

Objective of Visit:

- To get a real time experience and knowledge of various working units and equipments for the Solar system, solar and biogas energy. also to get the deep knowledge of gasifier setup

Visit to Sardar Patel Renewable Energy Research Institute.vallabh vidhyanagar

All the students from 6th Mechanical Engineering of Smt. S. R. Patel Engineering College Dabhi, Unjha along with 2 faculty members went on industrial visit to SPRERI on 15th February. Total 67 students along with the faculties reached their destination at 11:00 A.M.

In the visit they have seen various sectors through which various solar and biogas equipments.

Students had seen various areas, which are in operating condition like,

1. solar power developments,
- 2.biogas plants ,
- 3.new research equipments related to solar energy,
- 4.solar energy measurements equipments, and various project going on solar energy utilization.

SPRERI Vallabh Vidhyanagar

The industrial visit was helpful in providing the insight of the working of various units in a SPRERI, which will remain useful to the students for their future industrial interactions.

Faculty in-Charge

Prof. Nikunj M Patel
Prof. Vinod P Rajput

(Mechanical Department)

Site in-Charge
Samir Vahora

Senior Scientist

Extension Division
