

Visit Date: 17<sup>th</sup> April, 2013

09:00 A.M. to 02:30 P.M.

## Industrial Visit ME-4<sup>th</sup> Sem.

### Objective of Visit:

- To learn about power plant, automation design for soap manufacturing, plant layout according to product etc.

### *Visit to Nirma limited, Kalatalav, Bhavanagar*

All the students from 4<sup>th</sup> Mechanical Engineering of Smt. S. R. Patel Engineering College Dabhi, Unjha along with 2 faculty members went on industrial visit to Nirma limited, Bhavanagar on 17<sup>th</sup> April 2013. Total 48 students along with the faculties reached their destination at 09:00 A.M.

In the visit they have seen various sectors through which electric power is produced in the power plant and they have also seen automation design for various products related to Nirma like salt production and packing, soap production and packing etc.

Students visited workshop where parts of machines are repaired then they went to power plant where they seen some components related to power plant like boiler, turbine etc. then they seen automation for packaging of salt's bag. Then have also seen automation related to manufacturing and
