

Smt. S. R. Patel Engineering College, Dabhi

Senior Student's Experience

Date

30th January, 2015

Venue

Smt. S. R. Patel
Engineering College
Unjha

Mr. Karpit patel, the past student of SRPEC, is excited to come forward for the student of his college and He visited the college on the date of 30th January 2015.

He only want to share his opinion to his juniors. "What is the importance of the excellent project.?" "What is the important of the hard work.? And finally "How the best facilities gives the platform to fulfill the dream of the new innovative idea.?" Presently, Karpit Patel is doing his own business based on his new innovative ideas and also simultaneously study is going on as usual.
